

SURGEONS SCRUB UP TROUGHS

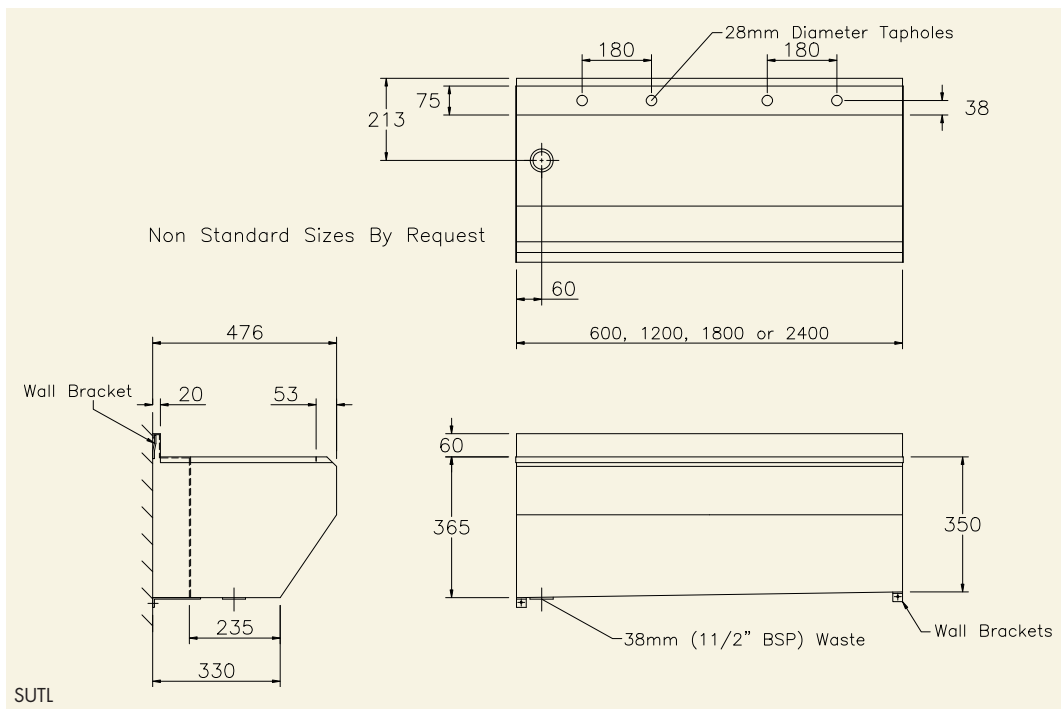

Surgeons scrub up troughs are manufactured from 304 grade Stainless Steel and are supplied with a 38mm (1 1/2" BSP) flush grated waste fitting to one end.

3 models are available - a Splash back type designed for wall mounted bib taps, a tap landing type for deck mounted taps and a high back type for bib taps mounted on the trough itself.

- Options**
- Special size units (up to 3000mm in one piece)
 - Monoblock tap holes
 - Single tap holes

1 Splashback Surgeons Scrub up Trough
2 Taplanding Surgeons Scrub up Trough
